

Recent Focus & Accomplishments:

- 1) SWIMS 3.0 Update: Now that we are in the second quarter of 2023, OMR has quieted down a little, but we do still have issues with some of our seasonal members getting up to speed on the new online requirements. Laurie continues to support many of our new members and clubs that are just seeing the process for the first time. USA Swimming is focusing on the re-design of the education component referred to as the Learning Management System, OTS Bugs/Features, Payment Processing and Refunds, and enhancements to Times. The road map has many features to enhance and deploy over the remainder of the swim year, including club renewal simplification and possible bulk club renewals for members. USA Swimming is building this product as we move through each phase of testing and we'll continue to see changes through the remainder of this year.
- 2) We have started the detailed planning of the LSC Clinic/Awards/Summit in October. We have reserved the space in Pleasant Hill and both the Officials Committee and Athletes Summit Planning Committee are working on their programs for the event. We have arranged for the caterer and are moving forward with arrangements. There will not be a Coach event this year, but there may be Coach/Athlete event after the HOD that will be part of the Athlete Summit.
- 3) The LSC meet schedule has been through two rounds of bidding and will soon be in the 3rd and final round.
- 4) Karen has been working on finalizing WZAG All-Star plans and we have more than 68 applicants for the team, but more than half of those applicants are 13-14, so we are looking for more participation in the 11-12 and 10U area. been doing a great job of planning the last few trips and has been instrumental in helping get everything accomplished in a more reasonable time frame.
- 5) The staff continues to meet every 2 weeks with key BOD. The minutes from those meetings, which include detailed information on the work of the staff, can be found in the Staff Meeting Minutes report posted on the Board Documents page.

Updates on Upcoming Activities:

- 1) Zoom account changeover will likely be coming this week, after speaking with Zoom Support, it may be better to have our zoom accounts be a part of the yourname@pacswim.org instead of repurposing the log ins we used with USA Swimming. You should have received an email on 4/18 about this issue.
- 2) House of Delegates – still looking for a spot to have the HOD. I have contacted several hotels in the area of San Jose and working through their options. Hope to have a final spot by the end of the week. Continued planning of the October Clinic/Awards/Summit and WZAG.
