Motion Request:

Motion from the Senior Committee to limit the maximum number of events per day to four for Senior Meets (Senior Open, Senior Two, and Senior Circuit) and to remove the language in the meet sheet of a possible mandatory scratch down.

Rationale: Many swimmers enter five events knowing they will only swim three or four. After checking the actually number of swimmers who competed in five events in recent Senior meets, the number was below 10. This will remove some of the ambiguity about potential scratch downs.
